FLORAL DREAM

Under the soft blue skies of Dubai, Bianca Events brought to life a pastel floral dream for bride Brittney and groom Chris. The couple exchanged vows amidst the enchanting beauty of the garden at Four Seasons Resort, where 120 guests were met with a sea of dusty pinks and the serene waters of the Arabian Gulf.

The ceremony was adorned with cascades of botanicals, with roses and vibrant foliage enveloping the chandeliers that decorated the aisle. As the sun set over the horizon, the couple said their "I dos" in a magical setting that will be etched in their memories forever.

The enchantment continued at the reception, where guests were treated to an extraordinary evening of entertainment that called upon the stars. International sensation, Jason Derulo, performed alongside a saxophonist, French cabaret and gravity-defying aerobatics. The entire evening was a spectacle of glamour, romance and memorable experiences.

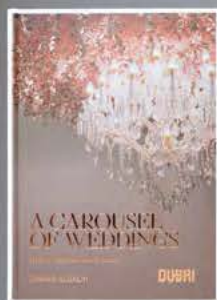

Bianca Events created a wedding that was truly unforgettable, where every detail was carefully curated to transform the garden at Four Seasons Resort into a magical wonderland. The couple and their guests were left spellbound with memories that will last a lifetime.

The city's regulations ensure a pristine environment and its residents are known for their friendliness and pride in their city. Dubai prioritises safety and has an excellent track record. Considering these factors, Dubai is an ideal location for a destination wedding.

Zainab Alsalih is widely regarded as the wedding guru of Dubai, setting up one of the region's first luxury wedding planning and event agencies over 15 years ago. Since then, brides and grooms worldwide have entrusted Zainab, Founder and Creative Director of Carousel Weddings (carousel.ae), to manage the most important and precious day of their lives.

WHAT A BRIDE CAN EXPECT FROM CAROUSEL WEDDINGS

Carousel Weddings can plan a wedding between three to six months in advance for ceremonies involving 40 people and weddings as big as 1,200 guests. For the ultra-organised bride, you can get in touch 12 months in advance, although Carousel Weddings has also been known to turn weddings around in as little as three weeks!

THE WEATHER

Future planning around weather is best in Dubai, particularly around the holiday break over Christmas, where many parts of the world are cold. Dubai's winter is a wedding dream.

MAXIMISE TIME WITH UNIQUE EXPERIENCES

Zainab goes on to offer words of wisdom, "When you're planning a destination wedding and your guests are going to go to all that time, effort and expense to attend your wedding – you want to give them a unique experience where they're going to come and experience the city. Your guests are there for you, so you can maximise what you do with them." Only in Dubai can you visit the beach, city and desert within one hour.

DEBUNKING MYTHS

Zainab also debunked some of the biggest misconceptions about Dubai, highlighting that it is a clean, hospitable, polite, safe and happy city. "There's a lot to see in the city. There's a lot to do and I think one of the biggest misconceptions about Dubai is that it's superficial. But Dubai is so much more than that. There's so much depth, culture and heritage to the city. Dubai welcomes guests as they are – meaning there is no requirement to dress modestly, you can dance the night away if that's your desire and yes, you can have alcohol at your wedding."

RELIGIOUS AND CIVIL CEREMONIES

Religious wedding services are available for all faiths and denominations in Dubai including; Hindu, Christian, Muslim, Jewish, Buddhist and more, as well as civil weddings.

"Dubai is doing everything it can to facilitate couples' dream weddings from all over the world," Zainab adds.

"Dubai is actually one of the easiest cities in the world to plan a wedding in, boasting a wide variety of different and luxury venues"

FESTIVELY WEDDING

Wedding planner and designer Zainab Alsalih of Carousel Weddings orchestrated one of Dubai's most memorable destination weddings. Leicester City's star striker, Patson Daka, tied the knot with his long-time girlfriend, Zambian athlete Suwilanji Mpondela, in a luxurious ceremony at the Mandarin Oriental in Jumeirah, Dubai.

The couple spared no expense, ensuring their guests had an unforgettable experience with a three-day celebration filled with activities and excitement. The festivities began with a pre-wedding party at a lavish venue, where guests were treated to a delicious array of food and drinks, along with lively entertainment to get them in the mood for the big day.

The wedding ceremony was a stunning affair, with the couple exchanging vows in front of a breathtaking backdrop of Dubai's glittering skyline. Patson, dressed in a sharp suit, beamed with pride as he watched his bride walk down the aisle in a stunning white gown, her hair styled in loose curls.

After the ceremony, the newlyweds and their guests boarded a yacht for an after-party like no other. The yacht sailed through the Gulf as guests enjoyed cocktails, music and dancing under the stars. The celebrations continued well into the night, with fireworks lighting the sky.

Guests at the wedding were particularly impressed with the thoughtful and detailed preparations made by Patson and Suwilanji with Carousel Weddings. In the months leading up to the wedding, they had set up a website for guests to access all the information they needed, from travel arrangements to dress codes and other important details.

As a couple wanting to celebrate both their cultural backgrounds, Dubai's Address Beach Resort was the perfect setting for the traditional Indian festivities of Sim and Dan's wedding celebrations.
