CEO NOTES

The Dock & Dine initiative represents the forward-thinking approach that has defined Dubai's maritime development. With strong guidance from our visionary leadership and a spirit of close cooperation between government and industry partners, we have harmonised marina regulations and enhanced operational processes across the board. This unified framework not only improves the arrival experience for foreign-flagged vessels, but also ensures every yacht guest enjoys streamlined access and world-class service. Working alongside the Dubai Department of Economy and Tourism, we are proud to galvanise the yachting sector, supporting tourism growth and contributing to Dubai's dynamic economy. The Dock & Dine initiative reflects our commitment to exceptional service, safety, and innovation – key pillars that are essential in driving Dubai's position as a global yachting and tourism destination

Sheikh Dr. Saeed bin Ahmed bin Khalifa Al Maktoum
CEO of Dubai Maritime Authority

This initiative marks a pivotal moment in Dubai's maritime journey and is a testament to visionary leadership that has transformed Dubai into a global yachting hub. By establishing convenient connections between our world-class marinas and dining experiences, we are enriching the wide-ranging value proposition that positions Dubai as the ideal base for international yacht tourism and a must-visit destination. The programme also exemplifies our commitment to fostering partnerships with industry leaders like the Dubai Maritime Authority, further elevating the yachting experience. The continuous public-private sector collaboration is shaping a vibrant, sustainable yachting ecosystem that benefits residents and visitors, environment and our economy aligning with our Dubai Economic Agenda, D33 while advancing our ambition to make Dubai the world's best city to visit, live, and work in.

His Excellency Issam Kazim
CEO of the Dubai Corporation for Tourism and Commerce Marketing
